CONDITIONS OF CONTRACT

Clause I. The person/persons whose tender may be accepted (hereinafter called the contractor which expression shall unless excluded by or repugnant to the context, include his excutors, administrators, representative and assigns), shall (A) (within one day for a contract of Rs. 1000 or less two days for one of Rs. 2000 of less and so on, up to a limit of the days of the notification of the acceptance of his tender deposit with the Chief Municipal Officer (in cash or Government securities endorsed in the name of Chief Municipal Officer (if deposited for more than 12 months a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender on (B) present Government at the time making any payment to him for work done under the contract to deduct such as will (with the earnest money deposited by him) amount to percent of all moneys so payable, such deductions to be held by Government by way security deposit provided always that in the event of contractor depositing a lumpsum by way of security as contemplated at (A) above, then and in such case if the sum so deposited shall not amount to percent of the total estimated cost of the work it shall be lawful for Government at the time of making any payment to the contractor for work done under the contract to make up the full percentage of Percent by deducting a sufficient sum from every such payment as last aforesaid. All compensation or other sums of money payable by the contractor to Government under the terms of his contract may be deducted from or paid by the sale of a sufficient part of his security deposit or from the interest arising there from or any sums which may be due may become due to the contractor by Government on any account whatsoever and in the event of his security deposit being reduced by reason of any such deduction or sale aforesaid the contractor shall within ten days thereafter make good in case Government securities encomed as a aforesaid any sum which may have been deducted form or raised by sale of his security deposit or any part thereafter the security deposit referred to when paid in case may at the cost of the depositor be converted into interest into interest bearing securities provided that the depositor has expressed desired this in writing.

1. The time allowed for the supply of materials as entered in the tender shall strictly observed by the contractor and shall be recorded from the date on which the commence supply of materials is given to the contractor. The supply of materials shall throughout the stipulated period of the contract be proceeded with, all the dilingnce (time being deemed to be of the assence of the contractor) and the contractor shall pay as liquidated damages an amount of equal to one one percent or such smaller amount as the Chief Municipal Officer may decide on the amount of estimated cost of the whole of the materials as shown in tender for every day that supply remains uncommenced or unfinished after the proper dates. And further to ensure good progress during the supply of materials the contractor shall be bound in all cases in which the time allowed for any supply of material exceeds one month to complete one fourth of the whole of the supply befor one fourth of the whole time allowed under the contract has ceased one half of the supply before event of the contractor failing to complete with this conditions shall be liable to pay as liquidated damage an amount equal to one percent of such after, amount as the Chief Municipal Officer may decide on the said estimated cost of the materials or every day that the due quantity of supply temains incomplete provided always that the entire amount of liquidated damages to be paid under the provision of this clause shall not exceed ten percent on the estimated cost supply of materials as shown in the tender.

- : Strike out (A) if on each security. is to be taken Strike out (b) if any security deposit is taken.
- : Strike out (A) or (B) as the case may be.
- : This will be the same percentage as that in the tender.

The amount will be the same percentage (not exceeding two percent) will be fixed in every case to suit requirement e. g. it is fixed as 1 percent and the security deposit only amount to 6 percent of the estimated cost if work than 3 percent should be deducted from every payment if the percentage is fixed at 10 percent and the security deposit

consecutive day, Chief Municipal Officer shall have power either to annul the contract altogether or have the supply completed without notice at the contractor's risk expense, as he may be suited interest of Government and the contractor shall have no claim to compensation for loss that he may incur in any way.

4. If the contractor shall be hindered in the materials so as to necessitate an extension of the time allowed in this tender, he shall apply in writing to the Chief municipal Officer who shall if in his opinion (which shall be final) reasonable grounds be shown therefor, authorize such extension for a period not exceeding three months, any further extension shall be subject to the previous Sanction of the S.E. of the Engineering Cell of the Directorate of Local Bodies.

5. The contractor shall have give notice to the Chief minicipal Office (hereinafter called the Engineer-in-charge) of his intension of making delivery of materials and on the materials being approved, a receipt shall be granted to him by the chief municipal Officer or his assistant and no material will be considered as delivered until so approved.

6. The Engineer-in-Charge shall have power to make any alterations or omissions from additions to or substitution for the supply materials as specified in the tender, which may appear to him to be necessary during the progress of the supply and the contractor shall be bound to carry out supply in accordance such instructions as may be given to writing signed by the Engineer-in-Charge and such alteration, omission, additions or substitutions shall not invalidate the contractor, and any additional, altered or substituted supply which the contractor may be directed to make as he before provided as part of the supply under his contract shall be carried in the contractor on the same conditions in all respects as are herein contained and at the same rates as or specified in the tender. The time for the completion of the supply shall be extended to that the proportions that the altered, additional or substituted supply bears to the original supply contracted for and certificate of the Engineer-in-Charge shall be conclusive as to such proportion and if the altered, additional or substitute supply includes any loss of supply for which no rate is specified in this contract than such class of supply shall carried out at rate district which was no force at the contrived, provided that which the tender for the original supply is a percentage below/above at the said schedule or rates the altered, additional or substituted or supply required shall be chargeable at the said schwdule or rate minus/plus the same percentage deduction/addition/and such class of supply in form the Engineer-in-charge of the rate which it is intention to chrg for such class of supply and if the Engineer-in-Charge does not agree to this rate, he shall be notice in writing at liberty to cancel his order to out such class of supply and arrange to carry it out in such manner as he may consider adversely, provided always that if the contractor shall commences supply incur any expenditure in regard there to befor the rates shall have been determine as lastly nerervind a gaslly here in befor mentioned of than and cancel in such cash he shall only be entitid to be paid in respect of the supply carried out or expenditue by him autor to the date the detrmation rate as aforesaid according to such rate or rates as shall be fixed by the Engineer-in-Charge, in the event of a dispute the deduction of the S.E. of the Local Bodies shall be final.

7. If at any time after execution of the contract documents the Engineer-in-Charge shall for any reason whatsoever require the whole or past of the supply as specified in the tender to be stopped for any period or shall not require the whole or part of the supply to be carried out he shall give notice in writing of the fact to the contractor who shall there upon suspend or stop the totally not partially as the case may be in any such case any payment or compensation whatsoever on account of any profit, or advantage which he might have derived from the axecution or the supply infull but which he did not so derive consequences of the full supply not having been allowed for be carried out or on account of any that he may be put to account of materials purchased to be purchased or for the payment of labour required by him he shall not also have any claim for compensation by reason of any alterations having made in the original specification, location of work, question and instructions which may in novel any curtailment of supply as Orin ally content lated. when however materials have already been purchased or greed to purchased by contractor before receipt by him of the said notice, the contractor shall be paid for such materials at the rates determined by the Engineer-in-Charge provided they are be put to in respect of materials agree to be purchased by him the amount of such compensation to be determind by the Engineer-in-Charge whose decision shall be final. If the stoppage supply of has been ordered under this clause, the contractor shall on application, be entitid to such compensation on account of labour as the Engineer-in-Charge whose decision shall be finally may consider reasonable provided that the contractor shall not be entitid or any compensation on account of labbour court have been employed by the contractor elsewhere for the period during the stoppage of supply has been ordered as foresaid.

8. On the completion of the delivery of the materials the contractor shall be furnished with a certificate to that effect by the Engineer-in-Charge, but the deliver will not considered complete until the contractor shall have removed all rejected materials and shall have the approved materials stocked or apaced in such position as may be pointed out to him.

9. Payment will ordinarily be made once a month to the extent or the quantity delivered each month but all such pay made shall be considered as payment on account be final bill for the complete supply.

10. The materials shall be of the best description and in strict accordance with specification and the contractor shall payment for such materials only as are approved and passed by the Engineer-in-Charge.

11. In the event of the materials being considered by the Engineer-in-Charge to be inferior to that described in the specification, the contractor shall on demand in writing forthwith remove the same at the own expense and cost and in the event of his neglecting to do so within same period as may be ordered by the Engineer-in-Charge the officer may have such rejected materials removed at the contractor's risk and expense incurred being liable to be deducted from any sum due or which may become due to the contractor.
12. Receipt for payment on account at a work, when executed by firm must also be signed by several partner except where the contractors are described in the tender as a firm, in which case the receipt must be signed in the name of the firm by or of the partners or by some person having authority to give official receipts.
13. If the contractor or his work people or servants shall break, deface, injure or destroy any part of a building in which they may be working or any building, road, fence, enclosure, water pipes, cables, electric or telephone posts or wires, trees, grass or grassland or cultivated ground the contractor shall make the same good at his own expense or in default the engineer-in-Charge may cause to make good by other workman and deduct the expense (of which certificate of the Engineer-in-Charge shall be final) from any sum that may be due at time thereafter may become due to the contractor or from his security deposit or the proceeds of sales thereof of sufficient portion thereof.
14. under no circumstance whatever shall the contractor be entitled to any compensation from Government on any account unless shall have submitted a claim in writing to the Engineer-in-Charge within one month of the date of such claim occurring.
15.
