CONDITIONS OF CONTRACT

Clause I. The person/persons whose tender may be accepted (hereinafter called the contractor which expression shall unless excluded by or repugnant to the context, include his excutors, administrators, representative and assigns), shall (A) (within one day for a contract of Rs. 1000 or less two days for one of Rs. 2000 of less and so on, up to a limit of the days of the notification of the acceptance of his tender deposit with the Chief Municipal Officer (in cash or Government securities endorsed in the name of Chief Municipal Officer (if deposited for more than 12 months a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender on (B) present Government at the time making any payment to him for work done under the contract to deduct such as will (with the earnest money deposited by him) amount to percent of all moneys so payable, such deductions to be held by Government by way security deposit provided always that in the event of contractor depositing a lumpsum by way of security as contemplated at (A) above, then and in such case if the sum so deposited shall not amount to percent of the total estimated cost of the work it shall be lawful for Government at the time of making any payment to the contractor for work done under the contract to make up the full percentage of Percent by deducting a sufficient sum from every such payment as last aforesaid. All compensation or other sums of money payable by the contractor to Government under the terms of his contract may be deducted from or paid by the sale of a sufficient part of his security deposit or from the interest arising there from or any sums which may be due may become due to the contractor by Government on any account whatsoever and in the event of his security deposit being reduced by reason of any such deduction or sale aforesaid the contractor shall within ten days thereafter make good in case Government securities encomed as a aforesaid any sum which may have been deducted form or raised by sale of his security deposit or any part thereafter the security deposit referred to when paid in case may at the cost of the depositor be converted into interest into interest bearing securities provided that the depositor has expressed desired this in writing.

1. The time allowed for the supply of materials as entered in the tender shall strictly observed by the contractor and shall be recorded from the date on which the commence supply of materials is given to the contractor. The supply of materials shall throughout the stipulated period of the contract be proceeded with, all the dilingnce (time being deemed to be of the assence of the contractor) and the contractor shall pay as liquidated damages an amount of equal to one one percent or such smaller amount as the Chief Municipal Officer may decide on the amount of estimated cost of the whole of the materials as shown in tender for every day that supply remains uncommenced or unfinished after the proper dates. And further to ensure good progress during the supply of materials the contractor shall be bound in all cases in which the time allowed for any supply of material exceeds one month to complete one fourth of the whole of the supply befor one fourth of the whole time allowed under the contract has ceased one half of the supply before event of the contractor failing to complete with this conditions shall be liable to pay as liquidated damage an amount equal to one percent of such after, amount as the Chief Municipal Officer may decide on the said estimated cost of the materials or every day that the due quantity of supply temains incomplete provided always that the entire amount of liquidated damages to be paid under the provision of this clause shall not exceed ten percent on the estimated cost supply of materials as shown in the tender.

- : Strike out (A) if on each security. is to be taken Strike out (b) if any security deposit is taken.
- : Strike out (A) or (B) as the case may be.
- : This will be the same percentage as that in the tender.

The amount will be the same percentage (not exceeding two percent) will be fixed in every case to suit requirement e. g. it is fixed as 1 percent and the security deposit only amount to 6 percent of the estimated cost if work than 3 percent should be deducted from every payment if the percentage is fixed at 10 percent and the security deposit only amount to 6 percent.

consecutive day, Chief Municipal Officer shall have power either to annul the contract altogether or have the supply completed without notice at the contractor's risk expense, as he may be suited interest of Government and the contractor shall have no claim to compensation for loss that he may incur in any way.

4. If the contractor shall be hindered in the materials so as to necessitate an extension of the time allowed in this tender, he shall apply in writing to the Chief municipal Officer who shall if in his opinion (which shall be final) reasonable grounds be shown therefor, authorize such extension for a period not exceeding three months, any further extension shall be subject to the previous Sanction of the S.E. of the Engineering Cell of the Directorate of Local Bodies.

5. The contractor shall have give notice to the Chief minicipal Office (hereinafter called the Engineer-in-charge) of his intension of making delivery of materials and on the materials being approved, a receipt shall be granted to him by the chief municipal Officer or his assistant and no material will be considered as delivered until so approved.

6. The Engineer-in-Charge shall have power to make any alterations or omissions from additions to or substitution for the supply materials as specified in the tender, which may appear to him to be necessary during the progress of the supply and the contractor shall be bound to carry out supply in accordance such instructions as may be given to writing signed by the Engineer-in-Charge and such alteration, omission, additions or substitutions shall not invalidate the contractor, and any additional, altered or substituted supply which the contractor may be directed to make as he before provided as part of the supply under his contract shall be carried in the contractor on the same conditions in all respects as are herein contained and at the same rates as or specified in the tender. The time for the completion of the supply shall be extended to that the proportions that the altered, additional or substituted supply bears to the original supply contracted for and certificate of the Engineer-in-Charge shall be conclusive as to such proportion and if the altered, additional or substitute supply includes any loss of supply for which no rate is specified in this contract than such class of supply shall carried out at rate district which was no force at the contrived, provided that which the tender for the original supply is a percentage below/above at the said schedule or rates the altered, additional or substituted or supply required shall be chargeable at the said schwdule or rate minus/plus the same percentage deduction/addition/and such class of supply in form the Engineer-in-charge of the rate which it is intention to chрге for such class of supply and if the Engineer-in-Charge does not agree to this rate, he shall be notice in writing at liberty to cancel his order to out such class of supply and arrange to carry it out in such manner as he may consider adversely, provided always that if the contractor shall commences supply incur any expenditure in regard there to befor the rates shall have been determine as lastly nerervind a gaslly here in befor mentioned of than and cancel in such cash he shall only be entitid to be paid in respect of the supply carried out or expenditue by him autor to the date the detrmation rate as aforesaid according to such rate or rates as shall be fixed by the Engineer-in-Charge, in the event of a dispute the deduction of the S.E. of the Local Bodies shall be final.

7. If at any time after execution of the contract documents the Engineer-in-Charge shall for any reason whatsoever require the whole or past of the supply as specified in the tender to be stopped for any period or shall not require the whole or part of the supply to be carried out he shall give notice in writing of the fact to the contractor who shall there upon suspend or stop the totally not partially as the case may be in any such case any payment or compensation whatsoever on account of any profit, or advantage which he might have derived from the axecution or the supply infull but which he did not so derive consequences of the full supply not having been allowed for be carried out or on account of any that he may be put to account of materials purchased to be purchased or for the payment of labour required by him he shall not also have any claim for compensation by reason of any alterations having made in the original specification, location of work, question and instructions which may in novel any curtailment of supply as Orin ally content lated. when however materials have already been purchased or greed to purchased by contractor before receipt by him of the said notice, the contractor shall be paid for such materials at the rates determined by the Engineer-in-Charge provided they are be put to in respect of materials agree to be purchased by him the amount of such compensation to be determind by the Engineer-in-Charge whose decision shall be final. If the stoppage supply of has been ordered under this clause, the contractor shall on application, be entitid to such compensation on account of labour as the Engineer-in-Charge whose decision shall be finally may consider reasonable provided that the contractor shall not be entitid or any compensation on account of labbour court have been employed by the contractor elsewhere for the period during the stoppage of supply has been ordered as foresaid.

8. On the completion of the delivery of the materials the contractor shall be furnished with a certificate to that effect by the Engineer-in-Charge, but the deliver will not considered complete until the contractor shall have removed all rejected materials and shall have the approved materials stocked or apaced in such position as may be pointed out to him.

9. Payment will ordinarily be made once a month to the extent or the quantity delivered each month but all such pay made shall be considered as payment on account be final bill for the complete supply.

10. The materials shall be of the best description and in strict accordance with specification and the contractor shall payment for such materials only as are approved and passed by the Engineer-in-Charge.

11. In the event of the materials being considered by the Engineer-in-Charge to be inferior to that described in the specification, the contractor shall on demand in writing forthwith remove the same at the own expense and cost and in the event of his neglecting to do so within same period as may be ordered by the Engineer-in-Charge the officer may have such rejected materials removed at the contractor's risk and expense incurred being liable to be deducted from any sum due or which may become due to the contractor.
12. Receipt for payment on account at a work, when executed by firm must also be signed by several partner except where the contractors are described in the tender as a firm, in which case the receipt must be signed in the name of the firm by or of the partners or by some person having authority to give official receipts.
13. If the contractor or his work people or servants shall break, deface, injure or destroy any part of a building in which they may be working or any building, road, fence, enclosure, water pipes, cables, electric or telephone posts or wires, trees, grass or grassland or cultivated ground the contractor shall make the same good at his own expense or in default the engineer-in-Charge may cause to make good by other workman and deduct the expense (of which certificate of the Engineer-in-Charge shall be final) from any sum that may be due at time thereafter may become due to the contractor or from his security deposit or the proceeds of sales thereof of sufficient portion thereof.
14. under no circumstance whatever shall the contractor be entitled to any compensation from Government on any account unless shall have submitted a claim in writing to the Engineer-in-Charge within one month of the date of such claim occurring.
15. In every case in which by virtue of the provision of section 12, Sub section (1) of the workmen's compensation Act 1928 Government are obliged to pay compensation to workman employee by the contractor in execution of the work. Government will recover from the contractor the amount of the compensation so paid and without prejudice to the right of Government under Section 12, section (2) of the said Act. Government shall be at liberty to recover such amount or any part thereof by deducting from the security deposit or from any sum due by Government to the contractor whether under this contract Government shall not be bound to compensate any claim made against them under Section 12, Sub section (1) of the said Act except on the written request of the contractor and upon his going to Government full security for all for cost for which Government might become liable in consequences of contesting such claim.
16. The contractor shall supply at his own expense tools, plant and implements required for the fulfillment of his contract and materials shall remain at his till the date for final unless it shall have been in the meantime removed for use by the Engineer-in-Charge.
17. No materials shall be brought site or delivered on Sunday without the written permission of the Engineer-in-Charge.
18. The contractor must not be sublet without the written permission of the Chief Municipal Officer in the event of the contractor subletting his contract without such permission, he shall be considered to have committed a breach of contract shall forfeit his security deposit and have no claim for any compensation for any loss that may occur from the materials he may have collected or engagement entered into.
19. The decision of the Superintending Engineer of the Engineering cell of the Directorate of Local Bodies for the time being shall be final, conclusive and binding on all the contractor upon all question relating to the meaning of specification hereinbefore mentioned and as to the quality of materials or as to any other questions claim right matter or thing whatsoever in any way arising out of relating to the contract specification instructions, orders of these conditions or amendment thereof.
20. Note (I): Fill in the blanks and strike out whichever is not applicable carefully before issue of N.I.T. for publication and display on the notice board as well as before sale / issue to intending tenderers.

Note (II): Unless the tender forms with complete documents are fully prepared and ready for delivery to intending tenderers; the notice shall not be displayed on the notice board nor sent for publication in the press.

Note (III): All tenders received after the deadline shall be noted in the register to be maintained in the concerned office & shall be counter signed by the head of office in the following format.

S.No.	Name of work	Time & date of receipt	Initial of person who returned the tender.	Date initials of the head office.
-------	--------------	------------------------	--	-----------------------------------

Note (IV): The names of tenderer(s) or their authorized representative present at the time of opening of tender(s) shall be noted in a register and their signature obtained in token of their presence. Rates and conditions, if any, offered by the tenderer(s) shall be read aloud by the officer opening the tender(s), so that the same can be noted by the tenderers or their representatives, if they so desire. The rates as well as conditions contained in the forwarding letter or separately attached to the tender(s) be read out, may also be got signed by all the tenderers or their representatives, who might be present. If they so desire. Comparative statements when ready (this should be as far as possible be got ready on the day after opening tenders) should also be exhibited publicly to the tenderers or their representatives.

Note (V): The officer opening the tender(s) should mark every tender under his dated initials by the fraction, the denominator of each will show the order in which the tenders are opened and the numerator will show the total number of tenders received. This should be done invariably on the first page of the tender form and on page (2) where the tenderers are to sign as well as pages of schedule of items. (Annexure-E) attested and number the corrections and overwriting on each in tender with dated initials. If some words or figure is/are corrected more than once, then all of such corrections must be initialed with date.

1.12 INSTRUCTIONS FOR GUIDANCE OF TENDERERS

The tender will be liable to be rejected out-right, if while submitting it:-

I) The tenderer proposes any alterations in the work specified, in the time allowed for carrying out the work or any conditions thereof - or

- II) Any of the pages of the tenders removed or replaced - or
- III) In the case of item rate tenders, rates are not entered in figures, and in words and the total of the each item and grand totals are not written by the tenderers in the last column of the schedule of items (Annexure-E under his signature - or
- IV) If erasures without attestation are made by him in the tender - or
- V) If all corrections and conditions and pasted slips are not initialed & dated by the tenderer - or
- VI) If the tenderer or in the case, each partner or any partners so authorised thereof, does not sign or signature/signatures is/are not attested by a witness on page 2 of the tender in the space provided for the purpose - or
- VII) If documents are not filled in ink or by ball pen.

2 .RATES:

2.1 The schedule of items: The schedule of all items of work to be executed is enclosed as Annexure - E

2.2:Percentage rate tender in form "A" or "C "

2.2.1 **In respect of percentage rate tenders:-** contractor should quote his separate tender percentage rate above or below or at par the following schedule of rates.

- (a) Building Works :
- (b) Electrical Works :
- (c) Road Works :
- (d) Bridge Works :

2.2.2: The percentage of tender above / below or at par with the relevant schedule of rates inclusive of all amendments issued up to the date of the issue of notice inviting tenders should be expressed on the tender form itself, both in words and figures in such a way that interpolation is not possible and all over writings should be neatly scored out and rewritten and the corrections should be duly attested and dated prior to the submission of tender.

Tenders not specifying percentage in words will summarily be rejected. In the case of variation between the rates stated in figure and words, the lesser of the two shall be deemed to be valid.

Any amendments to the schedule or rates after the date of issue of this tender notice or the date of issue of any amendments to the N.I.T. specifically notifying the said amendments to the current schedule of, rates, shall not apply to this tender.

2.2.3: The percentage tendered by the contractor will apply to those rates which find place in the Schedule of rates mentioned in clause 2.2.1 or have been derived from the said Schedule of rates and not to other items of work.

2.2.4: The percentage quoted by the contractor shall not be altered by the contractor during the term of contract. The deduction or addition, as the case may be of the percentage will be calculated on the amount of bill for the work done, after deducting the cost of materials supplied departmentally, if any, at rates specified in the agreement

2.2.5: If the work involves more than one S.O.R. even then the contractor shall quote only single rate, applicable to the concerned S.O.R. (for example- Building S.O.R. and Electrical S.O.R.)

2.3: Item Rates tenders in forms 'B': -

2.3.1 Item Rate Tenders in form-"B". In respect of item rate tenders, contractor should quoted his rates for the items mentioned in the schedule of item in Annexure-F of this N.I.T. Only rates quoted shall be considered. The rates should be expressed in figures as well as words and the unit should be rates by the department. The contractor will not have the freedom to change the unit. No percentage above or below the schedule be quoted.

2.3.2. The rates quoted in the tender for the various items of work will not be altered by the contractor during the item of contract.

2.4 Lead and lift of water: No lead and lift for carting of water will be paid.

2.5 Lead and lift of materials: No lead and lift for carting of material shall be payable to the contractor except in case of such items for which specific lead and or lift are provided in the Schedule of rates mentioned in clause 2.2.1 of the N.I.T. or in the schedule of items in respect of item rate tender.

2.6 Addition alteration and Non-Schedule items of works:- During the execution of the work there is likelihood of addition alteration in the items of work and also of such items of work, which do not find place in the Schedule of rates, referred to above in respect of percentage rate contracts (Form "A"), or such items which are not given in the schedule of items in respect of item rate contracts (Form 'B'), for which contractor has not quoted his rates.

Contractor will have to carry out these items of work

- (i) for percentage rate tender (form A) - as provided in clause 13 the conditions of contract
- (ii) for item rate tender (form B) - as provided in clause 13 of the conditions of contract

3 Submission of Tender :-

3.1: Earnest money: -No tender will be considered without the deposit of the specified earnest money which will be returned to the unsuccessful tenderers on the rejection of their tenders, or earlier as may be decided by the competent authority and on production of a certificate ofthat all tender documents have been returned, and will be retained from the successful tenders as part of the security deposit.

3.2 Forms of earnest money:

3.2.1: The amount of earnest money shall be accepted only in the shape of Bank drafts or in other interest bearing shapes mentioned in W.D. Manual Para. 2.079 in favour of the Commissioner/ Chief Municipal Officer of concerned ULB. valid for a period of -----months at least and further subject to appropriate verification by the Commissioner/Chief Municipal Officer of concerned ULB

3.2.2: The intending tenderers from other state may remit E.M. in the form of the bank draft of any schedule bank payable at par at

3.3 Earnest Money in separate covers: The earnest money in one of the prescribed forms should be produced / sent separately and not kept in the covers containing the tender and if the earnest money is not found in accordance with the prescribed mode the tender will be returned unopened to the tenderer in case of tenders to be submitted by registered .A.D. or speed post. In case of on line tenders earnest money submitted shall be verified & if found in accordance with the prescribed mode, then only on line financial offer shall be opened

3.4 Adjustment of the earnest money: - Earnest money, which has been deposited for a particular work, will not be adjusted towards the earnest money for another work but can be adjusted (if available) for the same work if tender is recalled and if requested in writing by the tenderer.

3.4.1. Refund of earnest money:

3.4.1. (i): If it is decided on the same day to reject all the tenders, the earnest money of all tenderers shall be refunded immediately after taking decision by the competent authority.

3.4.1.(ii) The earnest money of tenderers whose tenders are rejected shall be refunded .Also in case of the tenderer whose tender is accepted, and /or conveyed after expiry of the validity period ,Earnest money shall be refundable unless validity period extended by the tenderer

3.5 Security Deposit: (a) The Security Deposit shall be recovered from the Running Bills and final bill @ 5%(five) Percent as per clause – I of the agreement read with Para 3.5 of the N.I.T.

- (b) The amount of the E.M. shall not be adjusted when value of work done reaches the limit of the amount of Contract or exceeds the probable amount of the contract.
- (c) For unbalanced tender rate additional security Deposit shall be deposited as per respective clause of "Special Condition of NIT in percentage rate/item rate tenders.

3.6 Implication of submission of tender: Tenderers are advised to visit site sufficiently in advance of the date fixed for submission of the tenders. A tenderer shall be deemed to have full knowledge of the relevant documents, samples site etc. whether he inspects them or not.

3.7: The submission of a tender by a contractor implies that he has read the notice, conditions of tender and all other contract documents and made himself aware of the standard and procedure, in this respect, laid down in MORTH / I.R.C. Specification / CPWD Specification / ISI Code for building and electrical works to be done, has thoroughly inspected the quarries with their approaches, site of work, etc., and satisfied himself regarding the suitability and availability of site of work, etc. and satisfied himself regarding the suitability and availability of the materials at the quarries. The responsibility of opening new quarries and construction and maintenance of approaches there to shall lie wholly with the contractor.

3.8 Income Tax Certificate- A tenderer purchasing tender documents for works exceeding Rs. 10 lacs shall submit either

(a) Income Tax clearance certificate issued within 12 months from the date of receipt of tender.

OR

(b) His Income Tax return for the preceding 3 years and where law requires shall submit the audited balance sheet of Profit and Loss Account Statements with auditor's report for the preceding 3 years.

3.8.1: A financial capacity certificate or attested photocopy thereof, from any schedule bank along with the application for the tender papers be submitted which should not be older than 12 months from the date of application. Amount of financial capacity to be furnished shall be at least 15(fifteen) % of amount put to tender

The financial capacity certificate shall have to be in the following format:

CERTIFICATE

(on the letter head of the Bank)

On the basis of transactions/turn over in the account of _____

(Name and Address)

We are of the opinion that his financial capacity is to the extent of (both figures & words) Rs.

.....

This is without any prejudice and responsibility on our part.

Br Manager
With seal of Bank

Place:

Date :

00

In case of Online tender, financial offer shall not be opened & In case of manual tenders, tender copies would not be issued/sold in the absence of these documents mentioned in clause 3.8 and 3.9

3.9. List of works In Progress: Tenderer must furnish a list of contracts already held by him at the time of submitting the tender, in the Department and elsewhere showing therein.

3.9.(1): The amount of each contract and total period of completion with information of original stipulated date of completion and actual date of completion.

3.9.(2): Balance of works remaining to be done, and the remaining time allowed as per contract.

3.9.(3): The amount of solvency certificate produced by him at the time of enrolment in the department.

3.9.(4): Details of works where he withdraw his offer or did not-execute the agreement or where his contracts were rescinded in any department/organization (by whatever name these are called) of the Govt. of Chhattisgarh.

3.9(5): Tender submitted and wherever his offer is the lowest with details of work, contract sum& period mentioned for completion there in.

3.9(6): Other required documents

3.10 Relationship: The contractor shall not be permitted to tender for works in the Nagar Nigam/Nagar Palika/ Nagar Panchayat (responsible for award and Execution of contracts) in which his near relative is posted as Account Officer. He shall intimate the name of his near relative working in the Nagar Nigam/Nagar Palika/Nagar Panchayat, He shall also intimate the name of persons who are working with him in any capacity or subsequently employed by Nagar Nigam/Nagar Palika/Nagar Panchayat. Any breach of this condition by the contractor would render himself liable to be removed from the approved list of contractors of the Nagar Nigam/Nagar Palika/Nagar Panchayat.

Note: By the term near relative is meant wife, husband, parents and son, grandson, brothers, sisters, brother-in-law, father-in-law and mother-in-law.

3.11 Signature of the tenderer for the works shall be witnessed by another person and signature affixed with his name designation and address in the space provided in the Tender document. Failure to observe this condition can render the tender of the contractor liable to rejection.

4. Opening and acceptance of tender:

4.1: **Place and time of opening** : The tenders shall be opened at 11.30 AM or as suitable on the day subsequent to the dead line prescribed for receipt for tenders as per Para 1.1 above by the concerned Nagar Nigam/Nagar Palika/Nagar Panchayat in the presence of the tenderer or their duly authorised agents who may choose to attend. The officer authorised to open the tender may depute another officer to open the tender under unavoidable circumstances. If that day happens to be a holiday, then it shall be opened on the immediate next working day at the same time and place.

4.2 **Powers of Officer, receiving tenders** : The officer who opens the tender and for which he is not competent to accept , shall forward the tender to the competent authority through proper administrative channel; with his definite recommendation and enclosing therein all the tenders so received along with a complete set of approved NIT.

4.3: Conditional tender are liable to be rejected

4.4 . **Canvassing**: - Canvassing for support in any form for the acceptance of any tender is strictly prohibited. Any tenderer doing so will render himself liable to penalties which may include removal to of his name from the register of approved contractors or penal action under section-8 of the C.G . Vinidishtha Bhrastra Acharan Nivaran vidheyak , 1982.

4.5 Unsealed tenders : The tenders can be rejected if not properly sealed by wax or by sticking tape, in the case of manual tenders

4.6.:The authority competent to accept a tender reserves the right to accept the tender for the whole work or for a distinct part thereof or by distributing the work between one or more tenderers, or reject the tender as a whole without assigning any reason. Such decision shall not be open to challenge in any forum or court of law.

4.7 **Validity of offer**: Tender shall remain open up to 120 (one hundred twenty) days from the specified deadlines of receipt of tender(s) and in the event of the tenderer withdrawing his offer before the aforesaid date, for any reason whatsoever, earnest money deposited shall be forfeited.

4.7.1: In the event of withdrawing his/her offer before the expiry of the period of validity of offer or failing to execute the agreement as required by condition NO.8.1.1. of the notice inviting tender (N.I.T.) he/she will not be entitled to tender for this work. In case of recall of tenders, in addition to forfeiture of his/her earnest money as per provisions of condition nos. 4.7 & 1.1. of the N.I.T. as may be applicable for the work, If the tenderer has committed a similar default on earlier occasion (s) as well then his/her registration in the department may be suspended temporarily for a period of 2 (Two) years, from such date as may be ordered by the authority who had registered him/her.

5. Specifications -

5.1 Brief Specifications: - A brief note on construction and specification of all the major items of the work is enclosed in **Annexure- D**

7.5 Fair Wages: The contractor shall pay not less than fair wages to labourers engaged by him during the contract period of the works (rules enclosed vide Annexure-B).

7.6 Work in the Vicinity: The Commissioner/Chief Municipal Officer reserves the right to take up departmental work or to award work on contract in the vicinity without prejudice to the terms of contract.

7.7 Best quality of construction materials. Materials of the best quality will be used as approved by the Executive Engineer/Engineer in charge. Where ever any material bears I.S.I. stamp(mark), this shall have first preference on other available accepted material(s)

7.8 Removal of undesired persons: The contractor shall on receipt of the requisition from the Executive Engineer/Engineer in Charge at once remove any person(s) employed by him on the work who in the opinion of the Executive Engineer/Engineer in Charge is/are unsuitable or undesirable.

7.9 Amount due from contractor: Any amount due to the Government of Chhattisgarh/ Nagar Nigam/Nagar Palika/Nagar Panchayat from the contractor on any account concerning work may be recovered from him as arrears of land revenue.

7.10 Tools and Plants: - The contractor shall arrange at his own cost tools and plant required for the proper execution of the work. Certain plants may however be issued at the sole discretion of the Executive Engineer/Engineer in Charge and at the approved rate to the contractor as a special case.

7.11 Right to Increase or decrease work: The Engineer-in-charge reserves the right to increase or decrease with- in the scope of work any item of the work during the currency of the contract as per Provision given in clause (13) of the conditions of contract.

7.12 Time Schedule: The work shall be done by the contractor according to time schedule approved by the Engineer-in-Charge.

7.13 Time of Contract:- Time allowed for carrying out the work as entered in the N,I,T shall be strictly observed by the contractor and shall be reckoned from the date of work order to commence the work after taking in to account the prescribed 15/30 days of preparatory period

7.14 Payment by Cheque: The payment will be made by cheques/e-payment only. No bank commission charges on realising such payments will be born by the Department

7.15 Transport of materials: The contractor shall make his own arrangements for transport of all materials. The Executive Engineer/Engineer in charge is not bound to arrange for priority in getting wagons or any other materials though all possible assistance by way of recommendation will be given if it is found necessary in his opinion, if the recommendation proves to be ineffective, the contractor shall have no claim for any compensation on that account.

7.16 The methodology and equipment, material, labour, transport to be used on the project shall be furnished by the contractor to the Engineer-in-charge well in advance of commencement of work and approval of the Engineer-in-charge obtained prior to its adoption and use.

The contractor shall give a trial run of the equipment for establishing its capability to achieve the laid down specifications and tolerance to the satisfaction of the Engineer-in charge before commencement of work, if so desired by the Engineer-in-charge.

All equipment provided shall be of proven efficiency and shall be operated and maintained at all time in a manner acceptable to the Engineer-in-charge.

No equipment or personnel will be removed from site without permission of the Engineer-in-charge.

7.17 Work Programme and methodology of construction: The contractor shall furnish his programme of construction for execution of the work within the stipulated time and obtain the approval of the Engineer-in-Charge prior to actual commencement of work. For works costing more than **10** crores The contractor shall furnish his programme of construction for execution of the work within the stipulated time including the time and quantity schedule of material, transport, equipment, labour etc. The contractor shall also submit a statement of "Cash Flow" (as per the

format enclosed) Together with methodology construction of each item of work and obtain the approval of the Engineer-in-Charge prior to actual commencement of work.

7.18 Revised programme of work in case of slippage: In case of slippage from the approved work programme at any stage, the contractor shall furnish revised programme to make up the slippage within the stipulated time schedule and obtain the approval of the Engineer-in-Charge to the revised programme. Such progress report shall be submitted monthly (by 5th of each month) in the prescribed format in the tender documents.

7.19 Documentation: The contractor will prepare drawing(s) of the work as constructed and will supply original with three copies to the Engineer-in-Charge who will verify and certify these drawings, finally Constructed drawing(s) shall then be prepared by the contractor and supplied in triplicate along with a microfilm in case of minor and major bridges and on tracing cloth in all other cases to the Engineer-in-Charge for record and reference purpose.

7.20: The contractor shall have to provide a ruled duplicate register at site named "Site order book". It shall be in the custody of departmental supervisory staff. The Engineer-in Charge or his authorized representative shall record their instructions in this book, which shall be noted by the contractor or his authorized representative for compliance.

7.21: If any item of work is found to be substandard but the Engineer-in-Charge is of the opinion that the same is structurally adequate and can be accepted at the reduce rate, then in such cases, the Engineer-in-Charge shall have to submit proposals for appropriate reduction of rates supported by an analysis, in justification thereof, through a letter to the Commissioner/Chief Municipal Officer concerned and obtain his approval expeditiously (ordinarily within 15 days). The approved analysis along with orders of the Commissioner/Chief Municipal Officer shall have to be appended IN the bills of the contractor.

8. SPECIAL CONDITIONS:

(i) To be inserted in the N.I.T of a particular work if found necessary in the interest of the work.

(Note:- Any such special condition can not over rule or be on contravention of the prescribed clauses and conditions)

8.1 Agreement: -

8.1.1 Execution of agreement: The tenderer whose tender has been accepted (here in after referred to as the contractor,) shall produce an appropriate solvency certificate, if so required by the Commissioner/Chief Municipal Officer and will execute the agreement In the prescribed form, within a fortnight of the date of communication of the acceptance of his tender by the department. Failure to be so will result in the earnest money being forfeited to the Nagar Nigam/Nagar Palika/Nagar Panchayat and tender being cancelled.

8.1.2 (a) The contractor shall employ the following Technical Staff during the execution of work-

- (i) One graduate engineer when the work to be executed is more than Rs. 25 lakhs.
- (ii) One diploma engineer when the cost of work to be executed is from Rs. 5 lakhs to 25 lakhs.
- (b) The Technical Staff should be available at site and take instructions from the Engineer-in-Charge or other supervisory staff
- (c) Incase the contractor fails to employ the technical staff as aforesaid, the Commissioner/Chief Municipal Officer shall have the right to take suitable remedial measures.
- (d) The contractor shall give the names and other details of the graduate engineer/diploma engineer to whom he intends to employ or who is under employment with him , at the time of agreement and also give his curriculum vitee.
- (e) The contractor shall give a certificate to the effect that the graduate engineer/diploma engineer is exclusively in his employment.

- (f) A graduate engineer or diploma engineer may look after more than one work in the same locality but the total value of such works under him shall not exceed Rs. 100 lakhs in the case of a graduate engineer and Rs. 50 lakhs in the case of a diploma engineer
- (g) It shall not be necessary for the firm/company whose one of the partner is a graduate engineer / diploma engineer to employ another graduate engineer / diploma engineer subject to the conditions provided under 8.1.2 (a),(b) and (f)
- (h) The Retired Assistant engineer who is holding a diploma may be treated at par with a Graduate for the operation of the above clause.

Note:- Such Degree or Diploma engineer must be always available on works site on day to day basis and actively supervise, instruct and guide the contractor's works force and also receive instruction from the Departmental Engineers/Sub engineers.

In case the contractor fails to employ the above technical staff or fails to employ technical staff /personnel as submitted by the contractor in Pre qualification documents if prequalification is called and or the technical staff/personnel so employed are generally not available on work site and or does not receive or comply the instructions of the Department Engineers, Commissioner/Chief Municipal Officer shall recover/deduct from his bills, a sum of Rs. 2500/per week of such default. If the default continues for more than 4 weeks then such default can be treated as "Fundamental Breach of Contract" and the contract can be terminated and action shall be taken under clause 3

8.2 Conditions applicable for contract:-

All the conditions of the tender notice will be binding on the contractors in addition to the conditions of the contract in the prescribed form :-

Following documents annexed with this N.I.T shall form an integral part of the contract document. Annexure- "A" : Model Rules relating to labour water supply etc.

Annexure-"B" : Contractor's labour regulations.

Annexure-"C":

(a) Drawing (for buildings and Bridges)

- (i) Site plan/location
- (ii) Plan, Cross section and elevation structural drawing, bar bending schedule etc.
- (iii) Circuit wiring and plumbing drawing (for Buildings only)
- (iv) Founding and formation levels, for C.D. Works

(b) For road work :- Index plan and locations of

C.D. Works with type of C.D.
(H.P. box culvert, flush/raised,
causeway, slab culvert/ Bridge)

ANNEXURE - "A"

MODEL RULES RELATING TO LABOUR, WATER SUPPLY AND SANITATION IN LABOUR CAMPS

Notes: These model rules are intended primarily for labour camps, which are not of a permanent nature. They lay down the minimum desirable standard, which should be adhered to standards in permanent or semi-permanent labour camps should not be obviously be lower than those for temporary camps.

- 1. Location-:** The camp should be located in elevated and well drained ground in the locality.
- 2.** Labour huts to be constructed for one family of 5 persons each. The layout to be shown in the prescribed sketch.

Annexure-G
SPECIAL CONDITIONS OF N.I.T.
(Reference Clause 8 of NIT)

(1) Additional performance security (APS) shall be deposited by the successful bidder at the time of signing of agreement when the bid amount is seriously unbalanced i.e. less than the estimated cost by more than 10%. In such an event the successful bidder will deposit the additional performance security (APS) to the extent of difference of 90% of the PAC and bid amount in the shape of FDR , in favour of the Commissioner/Chief Municipal Officer before signing the agreement .The same shall be refunded along with the normal S.D. after completion of the work. If the contractor fails to complete the work or left the work incomplete, this additional performance security (APS) , shall be forfeited by the department , & the agreement shall be terminated and the action shall be taken accordance with clause 3 of the agreement . In case the tenderer / Contractor refuse to deposit Additional performance security (APS) then his bid will be rejected by the sanctioning authority and earnest money shall be forfeited.

(2) If the tenderer, whose tender has been accepted, and after signing the agreement, (i) does not start regular actual physical items of work within 25% (twenty five percent) of the time allowed for completion, or abnormally slowdown the work or (iii) abandons the work, or (iv) merely goes on applying for extension of time; the Commissioner/Chief Municipal Officer/Engineer in Charge shall serve a "show cause" notice with details to the contractor in this regard and if the contractor does not reply, or if his reply is considered not satisfactory (at the sole discretion of the Commissioner/Chief Municipal Officer/Engineer incharge), his earnest money and the performance security money or the Bank Guarantee in this regard shall be forfeited in favour of the Nagar Nigam/Nagar Palika/Nagar Panchayat .If the contractor has committed a similar default on earlier occasion (s) in previous three consecutive years the contractor shall be debarred from participating in any future tender of any working in Nagar Nigam/Nagar Palika/Nagar Panchayat for a period of 2 (two) years from the date of such order, by the authority which had registered him/her.

Such orders & action shall be final binding and conclusive

(3) Detailed programme of Construction:

(i) Within 15 days of issue of order to start work, the contractor shall submit in the prescribed proforma a detailed construction programme month wise mentioning start and completion of each item/event involved in the due performance of the contract For contract more than 10 Crores Contractor shall also submit detailed programme monthwise for

(a) Materials procurement

(b) Their transport arrangement to worksite with details of No. of truck/tippers

(c) Detailing of construction plants & equipments

(d) Cash flow/revised Cash flow

(ii) The contractor shall submit in the first week of each month a statement of “**target vis-à-vis actual performance**” of each item/event with slippage, if any; mentioning reasons of slippage and proposal for revised construction programme to complete the same in targeted date or validly extended date. Failure to submit this monthly statement

for 4(four) months can be treated as “fundamental Breach of Contract” and can result in invoking clause 3 of the conditions of contract.

(4). Performance Guarantee:

(i) The contractor shall also be responsible for performance of work carried out by him for a period of 12 (Twelve) month beyond the completion of work for which performance security has to be furnished by him @ 5%(five percent)of amount of contract. For this purpose contractor has to submit to the department a Bank Guarantee of 5% amount of the value of work done on every running and final bill payable to him. If contractor fails to submit bank guarantee of 5% amount of the gross bill, then 5% amount of bill shall be deducted from his running and final bill payment. However, the contractor can get refund of such performance cash security amount deducted if he submits appropriate bank guarantee valid for the period as stated above or 12 (Twelve) month after actual completion.

If require, the Commissioner/ Chief Municipal Officer shall ask the contractor to extend the validity period of the Bank Guarantee(s) for such period which he considers it proper and the contractor shall extend the validity period of such Bank Guarantee accordingly. If the contractor fails to extend the period accordingly, the Commissioner/ Chief Municipal Officer shall encash the B.G. before the expiry of the validity period.

(ii) The contractor shall have to carry out all necessary "Rectification" of defects noticed, caused due to any reasons at his own cost within such reasonable period mentioned in such communication notice from the Commissioner/Chief Municipal Officer/ Engineer in Charge to him.

(iii) Failure of the contractor to rectify the defects properly in the given period, it shall be open for the Commissioner/Chief Municipal Officer/Engineer in Charge to get the defect(s) rectified either departmentally or through other agency (without calling any tender /quotation) and recover the actual cost plus 15 % (fifteen percent) of such cost from the contractor from any sum, in any form, and available with the department or can be recovered as "Arrears of Land Revenue"

(iv) After One years of completion of construction, Amount of available performance Bank guarantee shall be returned to the contractor subject to the satisfaction of the Executive Engineer.

(v) Deleted

The performance guarantee will be in addition to the normal security to be deducted as per clause 1 of agreement for the execution of contract.

(5) The tenderer/contractor shall give in advance authority letter(s) in favour of the Commissioner/ Chief Municipal Officer, authorizing him to get all Bank's Fixed Deposit receipts, Bank Guarantees (either normal security deposit and or for performance

security) to get these Bank Receipts and Guarantee deeds verified and got confirmed from the concerned Bank. It will be only after getting such confirmation that the Commissioner/ Chief Municipal Officer shall pay any amount accordingly or refund the equal amount for which BG submitted has been duly verified and confirmed.

(6) The contractor shall not remove minor mineral from borrow areas, quarries without prior payment of Royalty charges.

(7) For Bituminous Road Works

(a) Bitumen of required penetration grade or emulsion shall be procured by the contractor directly from any or all of the Govt. Oil Company viz. Indian Oil Company (IOCL), Hindustan Petroleum (HPCL) and Bharat Petroleum Company (BPCL).

(b) It shall be obligatory on the contractor to submit within one week of receipt of Bitumen, original first copy of Bitumen invoice(s) (meant for the Buyer/Customer) (not other copies meant for Storage, Transporter etc. etc.) to the concerned Division or Divisions and get the invoice duly stamped and see that suitable entry is recorded by the Division of its use with grade, quantity proposed to be used in particular contract agreements (s)/Division. On the original invoice the contractor shall have to write "..... MT quantity of Bitumen of this invoice is proposed to be used in agreement No. of of ULB and quantity in agreement No. of of this or (other named) ULB in that ULB agreement No. of and sign the same.

Contractor(s) shall also furnish a certificate that "This is to certify that I/We have submitted the original and true bill(s) & I am responsible for its veracity"

The Engineer in Charge there after shall countersign the same and submit the invoice(s) and shall cause the same to be photocopied and return the photocopy duly certified to the contractor. All original invoices shall be retained by the Commissioner/Chief Municipal Officer till the payments final bill. There after the contractor shall return the attested photocopies of all invoices and take back the original invoices of Bitumen.

(c) The contractor shall have to install hot mix plant as per clause 504.3.4 of MORTH specification 15 days before starting of bituminous work nearer to the site of work, so as to maintain the temperature of hot mixed materials at work site as per MORTH norms. In case of failure in installing the hot mix plant, it shall be treated as breach of contract and penalty shall be imposed under agreement clause 38

(d) "Contractor shall submit the certificate of availability with him (Owned or leased or by procurement against mobilization advances) regarding computerized hot mix plant, Sensor paver/mechanical paver, Vibratory Roller [for 50 mm or more thickness of B.M./D.B.M. (with M.S.S./S.D.B.C. & B.C.)] and other plants and machineries duly certified by Executive Engineer or Equivalent officer, along with the E.M.D. envelope, otherwise tender will be disqualified while opening.

(8) The contractor has to fix reflecting information board, size 120 cms X 90 cms. One at starting point of the road and another from end point of the road describing the details of work as instructed by Engineer in Charge at his costs.

(9) In case of conflict between "General condition of contract- and the special condition" the terms of special condition s shall prevail.

SPECIAL CONDITION

1. In the event of withdrawing his/her after before the expiry of the period of validity of offer or failing to execute the agreement as required by condition No. 8.1.1 of the notice inviting tender (N.I.T) he/ she will not be entitled to tender for this work in case of recall of tenders. In addition to forfeiture of his/her earnest money as per provisions of condition No. 4.7 and 8.1.1 of N.I.T as may be applicable for the work, the registering authority will demote the contractor/ firm for a period of one year. If the tenderer has committed a similar default of earlier occasion (s) as will, then such demotion in registration will be permanently.

This special condition will supersede anything contrary to it in the tender document.

2. Cess @ 1% (One percent) shall be deducted at source. From every bill of contractor by the Commissioner/Chief Municipal Officer under "Building and other construction for Workers Welfare, Cess Act 1996"
3. It is mandatory for the contractor (s) to get himself/themselves registered with "C.G. Building and other construction Welfare Board" as soon as the work order is issued to him/ them for the work amounting to Rs. 10.00 (Ten) Lakhs and above and submit a copy of the same to the same to the concern Engineer in Charge, otherwise no payment will be made under the contract.
4. Contractors are advised to go through the Notice Inviting tenders & the tender/PQ/Bid Capacity document thoroughly. Certificates, annexures, enclosures as mentioned in the document will have to be submitted by the tenders strictly in the prescribed format at the time of submission of Technical/ Financial bid, failing which the contractor shall disqualify for the work & his financial offer shall not be opened and no representation appeal or objection, what so ever in this regard shall be entertained by the department.
